Sheena Nicholson, Assistant Principal

Sally Hoben, School Nurse

Dear Friends,

For years the Bound Brook School District has held an annual Blood Drive. We pride ourselves on the kindness and consideration of the Bound Brook Community. As our district has adopted an initiative this year to raise awareness for mental health issues, we urge you to consider how blood donation helps to raise community spirit and as a result helps to contribute to a positive educational environment.

In addition to saving lives, our Community Blood Center has graciously agreed to sponsor a college scholarship to a participating senior or seniors, depending upon the volume of our donations. All volunteers will be helping us meet this goal!

If you have received posters of the drives in the past and discarded them, or put them on a crowded bulletin board and forgot about them minutes later, or did not mention the drives at staff meetings, *I beg you to pay attention to this event.*

Please consider donating, and helping to spread the word however possible. This year, as ever, we appreciate you supporting this worthy and lifesaving event. Should you be unable, we humbly request that you help spread the word by posting this letter or by scanning and sending it to friends and colleagues.

When: Tuesday, April 18th 2017
Where: Cafeteria, Bound Brook HS
Time: from 2:30 to 8:30 PM

For more information on the drive or on donations please feel free to contact Sally Hoben (BBHS nurse) at 732-652-7950 (x3961) shoben@bbrook.org or Sue Del Conte (teacher) at 732-921-5529 sdelconte@bbrook.org.

Thank you for your anticipated assistance in making this Blood Drive wildly successful!
